CONFIDENTIAL

MEMORANDUM FOR: Director of Security

SUBJECT: Congressional Repositories of Classified
Agency Materials

25X1A

I am aware that the Director has instructed you to conduct a study to determine the extent of classified CIA material which is being retained in repositories outside of Agency facilities and outside of our control. As [REDACTED] has discussed with [REDACTED] there is some classified Agency material in the possession of the Congress. The bulk of this material is held by the House and Senate Armed Services and Appropriations Committees and by the Joint Committee on Atomic Energy. It is being retained in three-way combination safes and in some instances under additional safeguards.
